WHERE THE SCAR IS

touch me where I'm tender
touch me where I yield
touch me where you mustn't
 there the scar is

touch me where I'm hungry
touch me where I hurt
touch me where you mustn't
 where the scar is

touch me where I'm lonely
touch me where I weep
touch me where you mustn't
 where the scar is

touch me where I'm frozen
touch me where I cringe
touch me where you mustn't
 where the scar is

touch me in the never
touch me in the not
touch me in the nowhere
touch me touch me not

touch me when I trust you
touch me when I ask
touch me when I'm ready
 where the scar is

touch me with your kindness

touch me where I know
touch me make me tougher
where the scar was
