

**COLORS of GLASS, 2004**  
- *Vilma Ginzberg*

**From Section 3, Gifts from Gaia:**

**SEPTEMBER HAIKU**

Yellowing with age

September's page remembers

tales of summer's sun.

\*\*\*\*\*

A golden leaf falls.

September slips into something

warm...the sky weeps.

\*\*\*\*\*

Day shades into dusk,

gentian hurries into bloom;

bee works into night.
