

# 90 IS THE NEW, 2018

- *Vilma Ginzberg*

## From Section 3, out there:

### HAND ON THE BIBLE

he puts his hand  
the one he bragged  
could grab any woman's crotch  
because he is  
a star

he puts that hand  
on the same Bible  
Lincoln's work-roughened hand  
graced

the same Bible  
Obama's generous palm  
gently laid on

he puts that vile hand  
on that sacred Bible

and I am coiled to my core  
by nausea
